Sorry, I wasn't clear. I meant "briefly discuss ... with Darcy" the ASLB decision or the call. In case more background on the ASLB decision was needed before talking with Darcy.

Ok, thanks. Is he planning to provide us any more comments than what they've already provided?

Darcy, Douglas, and Valois,

Would you be available this week to discuss our comments? We are generally thinking a high level discussion. We also would like to share with you the recent decision from the ASLB which is attached and came out a few days early. All issues were resolved in favor of NRC and the proceedings are now closed.

Please let us know your availability.

Thanks.

John
